Lunch Program (CEP)

Ross-Hill Academy is participating in the Community Eligibility Provision (CEP) program this School Year 2014-2015.

The good news is that all Ross-Hill students are eligible to receive breakfast and lunch at no charge to the parent.

Healthy Lunch Tips for Bag Lunch

- Pack a water bottle
- Pack more fruit
- Pack more vegetables
- ***Please try to stay away from items that have a lot of sugar.***

New Lunchroom Guidelines

Please be aware of the new lunchroom policy (refrigeration and microwave use) policy:

- Students may bring a bag lunch from home.
- There is no student access to refrigerator or microwaves. We recommend that the parent prepare lunches that will not need warming up.
- ***Time is limited for lunch and students may not have enough time to use the microwave and eat their food before lunch is over.***

Thank you for your cooperation.
